Emergency Board of Management Meeting: 2019-20

N.B.

This meeting was called at short notice due to the ongoing issues with the temporary accommodation at Ravenswell.

Agenda:

1a. Apologies

Ciara

Reports:

2. Building Report

The Principal reported on the delay to the refurbishment of the buildings at Ravenswell. This has created anxiety in the school community. Due to a delay in the signing of a license with the religious order the contractor has not been able to begin work on the site. Following urgent interventions by the Principal and contact with local political representatives the License has now been signed. The contractor will be coming onto the site in the coming days.

A full discussion took place about the implications of this. The Principal outlined the efforts being made to find suitable alternative accommodation. As the all furniture and fittings have been removed from Putland Road it is the view of the Board that returning to the premises should be a last resort if determined by the Department of Education and Skills.

The Principal also outlined continued progress on the contingency plans for the return to school of students at the start of the new school year.

Next Meeting: to be confirmed.
